Answer

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI ANNASAHEB M. K. PATIL)

(a) to (d): Drinking Water supply being a State subject, the schemes for providing drinking water supply facilities to rural areas are implemented by the States with their own resources. The Central Government supplements the efforts of the States by providing financial assistance under the Accelerated Rural Water Supply Programme (ARWSP) and the Pradhan Mantri Gramodaya Yojana (PMGY)-Rural Drinking Water component. The powers to plan, sanction and implement individual rural water supply schemes have been delegated to the States. Hence, the State Governments do not have to approach the Government of India for approval of rural drinking water supply schemes. However, the Government of India approves the sector reform pilot projects for institutionalising community participation in the Rural Water Supply Programme which were introduced w.e.f. 1-4-1999. Details regarding these pilot projects are given at Annex-I.

State-wise release of funds along with allocation under ARWSP and PMGY-Rural Drinking Water for last three years i.e. 1998-99, 1999-00, 2000-01 and 2001-02 are given at Annex-II and III respectively.

The details of projects sanctioned and physical and financial progress under the Total Sanitation Campaign of Restructured Rural Sanitation Programme are given at Annex-IV.

The financial progress made under the Accelerated Urban Water Supply Scheme (AUWSP) during the years 1998-99, 1999-2000, 2000-2001 and 2001-02 is given at Annex-V.
